# INT. SOCIETY OF METAL FREE IMPLANTOLOGY

## The innovative specialist society for modern metal-free implantology

## Become a member now!

### Advantages

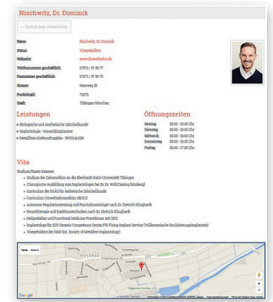

#### Public relation work

Benefit from a strong community that supports your practice marketing through their public relation measures.

#### Society's website including member profiles

Use the individualised member homepage and profit from a personal profile which ISMI provides free of charge to all active members. The patient platform of ISMI offers information for patients as well as a "dentists search & find" option and connects patients to the individual member homepages.

#### Congress participation discount

Come and join us! Attend the Annual Congress of ISMI and receive further education provided by our partners for reduced participation fees for all ISMI members.

#### Online specialist archive

Get exclusive access to ISMI's comprehensive online archive. Discuss with experts and colleagues all questions concerning metal-free implantology and enjoy free access to the online archive and its subject-related training videos and case reports.

#### Newsletter

The ISMI newsletter informs you of the latest scientific trends, products, and events. It also provides user reports as well as a wide range of information and tips on the subject of metal-free implantology.

#### Specialist magazine

As a member of ISMI, your membership fee includes a subscription of the independently published English magazine "ceramic implants—international magazine of ceramic implant technology". Published twice a year, the magazine offers specialist articles and event reports as well as industry- and science-related news from the international world of metal-free implantology. In addition "ceramic implants" provides information on companies and their newest products.
